“The Columbus Pro DJ Difference”

What can you expect from a Columbus Pro DJ??

EXPERIENCE... IT REALLY DOES MATTER!!!! All Columbus Pros DJs have a minimum of 200 events performed. That translates to YEARS of actual DJ experience. Don't hire an inexperienced DJ that could ruin your event just because they charge a few dollars less. Go with a “seasoned” professional and get your party to ROCK!

PROFESSIONAL EMCEES AND ANNOUNCERS Not all parties are just about great music, sometimes you need to convey your message. Our DJs possess professional voices and unflappable stage presence. We'll make sure those important announcements are heard by your guests.

EVENT COORDINATION Many parties need someone to make sure things stay on schedule. Our DJs will handle this aspect of your event for you. We wear a watch so you don't have to. It's your partyGO HAVE FUN and let us manage the details.

CUSTOMIZED SERVICE We don't have restrictive office hours or set agendas. During the planning stage we meet at a time and location that is convenient for you so that on event day you get what you want. Let's work together to create YOUR dream party.

MUSIC VARIETY No one has a more diverse variety of music than Columbus Pro DJs. It just isn't possible! If you want the most popular songs played at your event, WE HAVE THEM! Big Band, Disco, Hip Hop, Oldies, Country, Rock, Funk, 80's 90's and all popular Styles, all digital and all FCC Friendly lyrics. Our music is good clean FUN. Check out our complete listing on line at www.ColumbusProDJs.com.

CONVENIENT PLANNING You have 24/7 access to your planning detail by accessing your own private password protected event planner at www.ColumbusProDJs.com. There is no time that you won't be able to “tweak” your event day agenda.
